North Valley Cruzzers car club has donated money from its 2015 car show to three local charitable organizations.

St. Vincent de Paul, Willamette Valley Cancer Foundation and the Dayton Community Downtown Association each received \$500 from the club.

North Valley Cruzzers, which formed more than 20 years ago, hosts a car show each July. This year's event was held at Courthouse Square Park in Dayton.

The nonprofit club meets monthly on the third Thursday at the McMinnville American Legion Vets Club. Prospective members are welcome.
